Major Research

*Use this job aid to answer questions important to selecting a major. Use the questions below to help you in gathering useful information. Be sure to print one for each major you are investigating.*

1. What would I enjoy about the course work required for these majors?

2. What would I find difficult about the course work required for these majors?

3. Do I enjoy the skills that these majors required?

4. Is it possible to combine my interests in multiple disciplines (e.g. minors, double majors, and future graduate school?)

5. What occupations correspond to these majors?

6. Would I enjoy these occupations?

7. Am I considering any of these majors just to please others?

8. What criteria do you need to meet in order to be accepted into your major?

9. What is the academic background required by your major?
